

Sams House Supervised Visitation Agency

**Paula Duncan SuperKids
Regional Coordinator**

What we offer!

The Sams House Supervised Visitation Agency provides Family's with a safe, supportive, and neutral environment for children and parents to reconnect and rebuild relationships. This includes on-site and off-site services like:

- Supervised Visitations
- Supervised Grandparent Visitations
- Monitored Child Exchanges
- And more!

Where we offer it!

We understand that for many family's finding a safe place that works for all party's can be difficult. That's why we have both on-site and off-site services.

- Address: 715 Cornelia Ave Lakeland FL

Why we do it!

We want every child and family to be able to heal and move forward safely. We do this by meeting Compliance with child care obligations like quality of child access. Supervising visitation to help ensure reduced emotional conflicts between parents. Expediting and mediating child transfer to reduce conflict between parents.

Who we offer it to!

EVERYONE! We believe all family's deserve excellent care. That's why we offer plenty of payment and pricing options so every family can have a safe and positive experience.

Affordable Options Available Check our website for more details!
