However, in non-appellate matters, the Court will accept any documents formatted in Ariel, Times New Roman, Calibri, Verdana, or Helvetica, as long as it is 12-point font or larger, as these meet ADA requirements.

5. Include the section number and division, i.e. Section: 18—FELONY
6. Include service address to the right of the recipient's name, whether email address for e-service or mailing address for all recipients not included in e-service.

8. Do not submit duplicate orders!
9. All proposed orders submitted electronically through CAPS must comply with 10th Circuit Administrative Order 1-61.1 or any superseding order.
